

# World Cruises 2011–2012 Overview

## Princess® brings you the world

It's more than a vacation — it's travel's greatest adventure — the World Cruise. Princess has been sailing the world's oceans for more than 40 years. So when it comes time to embark on the most epic voyage imaginable, no one can introduce you to destinations north, south, east and west with the same knowledge and experience as Princess. And in 2011 and 2012, we have two of the most fascinating 104- and 107-day world cruise itineraries ever.

**NEW ROUTE** **2012 107-day World Cruise from Ft. Lauderdale to Venice.** Experience the world's treasured places on this magnificent sailing on Pacific Princess.® You'll transit the Panama Canal, sail through the South Pacific, cruise New Zealand's Fiordland National Park — a UNESCO World Heritage Site — and visit Australia's Great Barrier Reef. Ahead lies even more, from ports like vibrant Hong Kong and dazzling Phuket to bustling Mumbai and thrilling Cairo, Egypt. You'll visit some 40 destinations with maiden calls in Santa Marta (Colombia), Puerto Quepos (Costa Rica) and Manama (Bahrain) before your voyage ends in Venice. You can see even more with overland tours to such places as Cambodia's Angkor Wat, China's Great Wall and Ayers Rock in Australia.

**2011 104-day World Cruise roundtrip from Sydney.** Join Dawn Princess® and guests who mostly hail from Down Under for an exciting 104-day summertime departure with an Australian flavor, sailing roundtrip from Sydney on May 25, 2011. You'll call in 43 intriguing ports on six continents, including new World Cruise destinations for Dawn Princess such as Costa Rica, Morocco, Jordan, Israel, Scotland and Norway. Popular destinations such as Singapore, Dubai, the Mediterranean, the Panama Canal and the Hawaiian Islands are also included.

**2-DAY EXPERIENCE** **Princess signature 2-Day Experience.** It's one of our most popular offerings — our signature 2-Day Experience gives you extra time in some of the world's great cities so you don't miss a single sight. Guests on the full 2012 World Cruise with Pacific Princess® will be treated to overnight stays and two days for shore excursions and activities in Australia's colorful Sydney, the incredible port of Hong Kong, and fabulous Dubai — home to both traditional souqs and the world's tallest, most modern tower.
